## **MEMBERSHIP ALERT!**

SuperValu payroll department failed to deduct Union dues for the June 1, 2007 pay period. Local 655 is working with them to correct the problem.

In order to collect the appropriate amount for the month of June, Shop 'n Save will deduct a total amount due for the 5 periods in the remaining four weeks.

We apologize for the inconvenience. SuperValu assures us they are working on the issue to make sure the problem does not occur in the future.

If you have any questions on this matter, please contact your Union Representative or the dues department at 636-394-6500.

Sincerely,
